WHAT IS HANGUL DAY?

Traditionally, Hangul Day is celebrated on October 9th in Korea to honor the institution of the Korean writing script, Hangul (한글), by King Sejong in 1446. Today, Hangul Day is celebrated worldwide, including in the United States. The state of California designated October 9th as Hangeul Day in 2019, and the Los Angeles City Council also officially adopted a resolution recognizing October 9 as Hangul Day in 2023.
